(SBU) On May 26, Poloff asked MFA Director General for Americas, Middle East and Africa Jambaldorj whether Mongolia intended to issue a statement of support to mark the formation of the Iraq government. Jambaldorj replied that Prime Minister Enkhbold had already sent a message of congratulations. However, no decision had been taken yet as to whether to make a public statement and/or release the congratulatory message. He said the issue would be reviewed by the Foreign Minister.
